

# QCD at high density

## Wednesday, 28 January 2015

### Session 4 - AG 66 (09:30 - 11:00)

-Conveners: Tapan Nayak

time	[id] title	presenter
09:30	[9] Quark number susceptibility in mean field model : revisited with fluctuation-dissipation theorem	MAJUMDER, Sarbani
10:15	[10] Three Loop Quark Number Susceptibilities in Hard Thermal Loop approximation	BANDYOPADHYAY, Aritra
