

QCD at high density

Thursday, 29 January 2015

Session 7 - AG 66 (09:30 - 11:00)

-Conveners: Thomas Schaefer

time	[id] title	presenter
09:30	[16] Spontaneous CP Violation from QCD $Z(3)$ Domains and its Implications	ATREYA, Abhishek
10:15	[17] Vector meson spectral function and dilepton production rate in a hot and dense medium within an effective QCD approach	ISLAM CHOWDHURY, Aminul
