

# Workshop on QCD in the Nonperturbative Regime(1)

## Tuesday, 19 November 2019

### First session - AG66 (09:30 - 10:50)

-Conveners: Chair: Rajiv Gai

time	[id] title	presenter
09:30	[17] Universality and critical behavior -- the chiral phase transition in (2+1)-flavor QCD	KARSCH, Frithjof
10:10	[18] Exploring the phase diagram with experimental susceptibility scaling functions	LACEY, Roy
