

**Name :** Prof. Mala Das

**Present affiliation :** High Energy Nuclear & Particle Physics (HENPP) Division, Group B  
Saha Institute of Nuclear Physics, Kolkata

**Designation :** Professor,  
In-charge of JUSL (Jaduguda Underground Science Laboratory)

**Research area :** Astroparticle Physics & Radiation Physics experiment

- Dark matter direct search (InDEX at JUSL, India,  
PICASSO & PICO at SNOLab, Canada ; SIMPLE at LSBB, France ;)
- Radiation detection, RIB, detector development, instrumentation,

**Research Career :**

- **PhD :** Bose Institute, degree from University of Calcutta  
PhD supervisor : Prof. Suprakash Chandra Roy
- **Post-doctoral experiences :**
  - Hokkaido University, Japan (JSPS),
  - LSBB at University of Nice, France,
  - University of Montreal & SNOLab, Canada,
  - VECC, Kolkata.

**Current no. of PhD students doing thesis :** 3

**No. of Journal publications** ~35
