

About Speaker

Dr. Tilak Kumar Ghosh is currently the Dean of Students Affairs at the Variable Energy Cyclotron Centre (VECC). Graduated from the Saha Institute of Nuclear Physics, Dr. Ghosh joined DAE as a K.S. Krishnan Research Associate at VECC. He was an Indo-US Science and Technology Forum Research Fellow at the NSCL, Michigan State University, USA. He is a recipient of Young Scientist Award and the Scientific & Technical Excellence Award of DAE. His research focuses on the development of large-area gas detectors for fission-fragment detection and on investigations into nuclear fission dynamics.
