

School and Workshop on 21-cm Cosmology

Monday, 9 March 2026

Session 1 - AG66 (10:05 - 10:45)

-Conveners: Chair: Mayuri Rao (RRI)

time	[id] title	presenter
10:05	[49] Distinguishing between Reionisation Source Models in SKA-Low 21-cm Intensity Maps using the Largest Cluster Statistic	(IIT INDORE), Manas Mohit Dosibhatla
10:25	[29] Propagation, Refraction and Scattering Effects in Low-Frequency Radio Observations: Implications for Precision 21-cm Cosmology	(IIT KANPUR), Ganesh Jaiswal
