

ML4HEP

4th Machine Learning for High Energy Physics School

Logistics and Practical information

4th edition of the ML4HEP school

School at a glance

- **13-day school** (29th June - 11th July)
- **Free day** on 5th July (Sunday)
- **Final two days:** workshop where participants will be grouped to work on a project.
 - We expect ~7 to 8 groups in total
- **Agenda:** <https://scitalks.tifr.res.in/event/9310/timetable/?view=standard>

Daily Schedule

- **Lectures:** 9:30 - 6 pm.
- **Special lectures:** 6:15 pm to 7 pm (selected days)
- **Tea breaks** in the HBA Cafeteria which is just outside the HBA
 - 11 - 11:30 am
 - 4 - 4:30 am
- **Lunch:** 1 pm to 2:30 pm (No lunch served in the GH on Sunday)
 - For outstation participants, it will be served in the GH

4th Machine Learning for High Energy Physics School

Congratulations on being selected from over 350 applicants who had registered for the pre-school. We hope you make the most of this unique opportunity to learn. We hope you'll take full advantage of the lectures, hands-on sessions, and interactions with the speakers
